**NOTICE OF REGISTRATION OF TRADE NAMES**

On September 13, 2000, Arrow Air, Inc.,<sup>1</sup> submitted an application under Part 215 of our rules to register the trade names "Fine Air Services" and "Fine Airlines." The company's usage of these trade names would be in addition to its current authorized trade names of "Arrow Air" and "Fine Air."

Part 215 of the Department's regulations provides that any carrier wishing to use an alternative trade name must first register that name with the Department. The rule further states that the Department may register a trade name after the carrier gives notification to similarly named carriers of the proposed use of the trade name. In this case, there are no similarly named carriers; hence, no notification was required.<sup>2</sup>

Since Arrow Air has complied with the requirements of Part 215, we acknowledged the registration of the trade names "Fine Air Services" and "Fine Airlines" orally on September 21, and we confirm that action here.

Dated at Washington, D.C., September 26, 2000

Acting Director  
Office of Aviation Analysis

<sup>1</sup> Arrow Air holds certificate authority to engage in interstate and foreign scheduled all-cargo air transportation (see Order 2000-8-5).

<sup>2</sup> The certificate authority previously held by Fine Air Services, Inc., was transferred to Arrow Air by Order 2000-8-5 in conjunction with the merger of these companies. As a result of this transfer, Fine Air Services, Inc., itself, no longer holds any authority to operate as an airline.
